Re: Thank You for Your Donation of \$10,000.00

Dear David,

We deeply appreciate your commitment to helping the RIVER FUND continue our ever-expanding work in fighting hunger and poverty in New York City. Your donation of \$10,000.00 received on 11/22/2017 has been applied toward our Thanksgiving Fund.

Your willingness to provide gifts towards our work has been both valuable and extremely encouraging to our dedicated team—who donated more than 60,000 hours of intense service last year to make our endeavors possible. Yet, despite all of this volunteerism, without the financial support from people like you our work could not go on.

The RIVER FUND is recognized as one of the most cost-effective community-based organizations in New York City engaged in the ongoing battle against Hunger, Homelessness and Poverty. Each \$1.00 donated yields \$20.00 worth of product to the families we serve. This high level of efficiency and effectiveness comes from our ability to plan on the basis of dependable, recurring contributions. Thank you.

Your generosity allows us to continue our shared mission, and regular gifting does indeed go a long way: Not only does it translate to food, clothing and many other forms of assistance—it actually gives hope to New Yorkers in poverty. Together we make a difference!

Sincerely,
